-

PROFESSIONAL EXPERIENCE

Software Developer

WillGate — Ho Chi Minh City, Vietnam

April 2013 – May 2015

- Designed, developed, and deployed scalable web applications using PHP, Java, C#, and Python.
- Wrote clean, efficient, and maintainable code while adhering to company coding standards and industry best practices.
- Led testing and debugging processes to ensure system reliability and high performance.
- Collaborated with cross-functional teams to gather requirements, optimize features, and enhance user experience.

Project Manager

FPT Software — Ho Chi Minh City, Vietnam

June 2015 – September 2023

- Led cross-functional teams in delivering 25+ software development projects, consistently on time and within budget.
- Managed the full project lifecycle, including scope definition, resource allocation, risk assessment, and data analysis.
- Implemented Agile and Scrum methodologies to streamline development processes, improving team productivity and project efficiency.
- Collaborated with international clients to define project goals, develop solutions, and ensure clear communication across time zones.

Bus Driver

Metropolitan Transit System (MTS) — San Diego, CA

March 2024 – August 2024

- Operated public transit buses safely and efficiently, ensuring on-time service while adhering to traffic laws.
- Provided excellent customer service, assisting passengers and addressing inquiries.
- Conducted pre-trip and post-trip inspections, ensuring vehicle safety and reporting maintenance issues promptly.
- Maintained accurate records of fares, mileage, and passenger counts while following company procedures.

General Skilled Trades Pre-Apprenticeship

San Diego Workforce Partnership — San Diego, CA

March – April 2025

- Completed 160 hours of in-person, hands-on training with the Electrical Training Institute in construction best practices.

- Gained experience with tools, equipment, and safety procedures required in construction.
 - Learned essential skills including wire pulling, pipe bending, electrical wiring, material handling, and concrete pouring.
-
